www.cityofcallaway.com DRIVEWAY AND PIPING PERMIT

I,, of (address)
request permission for the construction of the following on the City of Callaway right-of-way at:
Address of project: Phone:
Cany of dood or other proof of our archin is required
Copy of deed or other proof of ownership is required
Description of project:
 New Residential Existing Residential Driveway Only Storm water Pipe
Will you be purchasing sod? YES:NO: The City of Callaway will lay the sod upon completion of all groundwork for existing residential only. The purchase of sod is optional.
 The driveway shall be constructed in accordance with the City of Callaway specifications. For traffic access area installation shall be with Reinforced Concrete Pipe (RCP) only. For the remainder of the ditch not directly under the driveway path, High Density Polyethylene Pipe may be used instead of RCP. The City of Callaway, Public Works Department shall assign the diameter of the pipe. The property must have an address posted and the construction area must be flagged for pipe to be delivered. For a previously undeveloped lot, the FULL extent of the ditch must be piped in before the City will issue a Certificate of Acceptance. This permit will only be valid for 90 days from date of the application and a new permit will be
required if the date is beyond 90 days from receipt.
The applicant shall save and keep the City of Callaway harmless from all damages, claims, or injuries that may occur by reason of this construction of said facility.
The applicant binds and obligates himself to conform to the above description and attached sketch and to abide by the driveway regulations stated above.
All driveway and piping permit fees shall be paid prior to issuance of any permit and prior to the commencement of any work by the City of Callaway. Price of the material may be subject to change.
