Billing Cycle	

New Account Disclosure Form

- 1. I will receive my first bill on or around the 5th of the month. Should I not receive a bill, it is my responsibility to contact the Utility Billing Department. Whether I receive a bill or not, I understand it is a monthly utility service being provided that is due by 5:00 p.m. on the 15th of each month.
- 2. I have until 5:00 p.m. on the 15th (excluding City observed Holidays and weekends) to pay my bill without a 15% penalty. If my account is unpaid by the end of business day on the 25th, my account is subject to disconnection on the 26th (excluding City observed Holidays and weekends). Payments received after 5:00 p.m. on the 25th will automatically be charged a \$50.00 delinquency fee. I understand if my services are disconnected, the account balance is due in full prior to being reconnected.
- 3. To pay my bill: I can mail a payment using the enclosed envelope with my bill, put a payment in the night drop box in the parking lot at the City Hall Building, or Public Works. Pay with a debit/credit card or e-check by calling 1-(850)871-6000 or by visiting www.cityofcallaway.com. The Utility Billing Department can be reached by calling (850)871-6000 option 1, Monday through Friday 8 a.m. to 5 p.m. (excluding City observed Holidays).
- 4. The City of Callaway requires a deposit(s) on all accounts. Deposit amount due varies by location, services provided and if the account is commercial or residential. Deposits are held in a non-interest-bearing account and returned to account holder after final billing. When service is terminated, the deposit on the account will be applied towards any outstanding balance. If there is no balance due or a credit remains, a refund check will be mailed to the address provided after the final billing has occurred. Any unpaid balance is subject to collections by an outside debt collection company if not paid.
- 5. Returned payments will be charged a \$25.00-\$40.00 returned item fee. Unpaid returns must be paid with Certified funds within two business days to avoid disconnection. Habitual returns could result in a "cash only" account status.
- 6. In the event City of Callaway Utility service equipment is found altered, willfully damaged, tampered with or the like, causing unauthorized usage, the city will disconnect utilities immediately and may impose a tampering fee and require all damages, fees, labor and materials to be paid in full prior to restoration of utility service.
- 7. Should you choose to receive assistance to pay your current utility bill from an agency, upon your own initiation and discretion, communication with the City of Callaway Utility Billing Department is vital to avoid an interruption of your utility service. Please understand, most agencies have an extensive vetting process for approval of aid. You will need to consider their requirements and process time when seeking assistance. Failure to initiate aid in a timely manner does not preclude late fees or disconnection of utilities. When receiving aid, whether it be in cash, check, credit card or voucher form, that submittal to the city must be received by 5:00 p.m. on the 25th of each month to avoid disconnection of utilities. If a voucher for payment is provided, the City of Callaway agrees to accept the voucher as a form of payment, pending receipt of the actual item.

By signing you acknowledge, understand, and agree to abide by the above disclosures.

NOTE: Effective 10/1/96 F.S. 320.8249 requires permits for all manufactured/mobile home installations to be obtained by licensed contractors or dealers or their agent. A notarized letter of authorization is required for anyone other than the license holder to pull a permit. The homeowner will be allowed to obtain the permit only when he has a letter of authorization from the contractor. All new manufactured/mobile homes will have to be installed by the dealer or the installer/set-up contractor. Electrical and mechanical require a separate permit pulled by a licensed contractor. If performed by other than the licensed mobile home installer, water and sewer connections require permitting by a licensed plumber. Any additional or accessory structure will require a separate permit.

INSPECTION PROCEEDURES

- Only licensed installer or agent can pull permit and call for inspections when set-up and electrical is complete.
- 2. When approved, Gulf Power and City Hall will be notified for power and water connects. It is the owner's responsibility to set up accounts for power and water.
- 3. If the inspections fail, the problems must be corrected and re-inspected <u>before</u> we will authorize power or issue the Certificate of Occupancy.

FOR INSPECTIONS CALL: 874-9347 (OFFICE HOURS: 7:30 A.M.-4:00 closed for lunch 12:00-12:30)

It is <u>required</u> that the installer ensure that these items have been checked prior to the inspection by the Building Department.
